Marks my fourth novel in my Daughter Series, special edition covers and artwork will be Available in the upcoming year. Dalton's Daughter exists somewhere in the midst of this vast Science-Fiction universe--I'm not exactly sure where--and I haven't read any of the other material so if anyone happens to spend a lot of time around the GAF Mainframe I'm probably going to sound like an idiot. The Rising. Rosalyne's P.O.V Lake Como, Italy Mac and I pull up in our fancy car, to a fancy party. Mac gets out of the driver's seat and walks over to my side holding the door open for me. Dalton's daughter was a science fiction story set in space, but it dealt with universal and timeless topics such as child abuse, rape, rejection, and sex. Sasha faces each painful experience and obstacle head on, in an honest and straightforward manner.
